Loads!

description:

Effective™ Mega Detergent is an all temperature, 100% biodegradable, color safe formula featuring a unique combination of detergent, brightener and softener ideally suited for both top and front loader use, while gentle on fabrics and skin.

features & benefits

- Color safe
- Auto measuring cap
- No mess
- Biodegradable
- Earth-friendly
- Softens & brightens
- Non-toxic
- Super concentrated

procedure:

Select the proper water temperature for fabric, color and type. Fill auto measuring cap by squeezing until detergent reaches the half full cup mark. Decant into machine. For front loaders, add half a cup of detergent.
